### Catering Customer Information Form

Please fill out the following information and check the food choices from the menu form below. There is a 25-person minimum for delivered catered events and a 50 person minimum for full service events. For Full Service catering, there will be a deposit of 50% due at the time of booking and final 50% will be due 14 days before the event. A 15% to 20% gratuity/service fee will be automatically added to the bill for all catered events depending on the type of service provided.
